Certificate of constancy of performance 0843-CPR-0257

In compliance with the Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

K-Flex Fire Acrylic Penetration Seal Classified for use in flexible & solid walls and solid floors

A sealant used to seal around cables and metallic and plastic pipes to form a penetration seal to reinstate the fire resistance performance of wall and floor constructions, where they have been provided with apertures for the penetration of services. K-Flex Fire Acrylic is supplied in liquid form contained within 310 ml cartridges. The sealant is gunned into the aperture in or between the separating element/elements and where appropriate around the service or services, to a specified depth utilising various backing materials.
